Happy New Year to all.

Hope you all had a lovely Christmas and all rested.

I would like to welcome our new members:-

Keren Bennett
Rosemary Phoenix
Kelli Thomson

Most of us are in holiday mode and we don't have a meeting in January but will hopefully still get members input for anything they would like to run for the rest of the year. Food for thought in running a short course even if just without the dressage.

We had a team at last years TTT dressage in November and we became invalid as our team to circumstances horses bring us. Reasoning for this a team of 3 minimum is required. Sue couldn't get her horse on the float and unfortunately Torina who had been in form months prior came off her mount after he took fright from a big body shake and left Torina on the ground with a broken femur. Heartbreaking as it was while just before entering as warmed up beautifully. We wish Torina a speedy recovery as she gains strength so she can return to what she loves and does well at. Carol Gudgion second time out and myself with success completed the two tests at this competition.
