Time flies as they say when you are having fun! Now nearly to the end of April and I wanted to get these newsletters out monthly, well at least I'll scrape in before April ends..

Our first clinic for the year was well received and we had 26 riders mainly open riders from other HRC AV clubs, a couple EV and PCAV as well. Suzanne Groundwell was the instructor with the flat for 4 hours and Mark Griffiths with the XC for 7 hours. The costs were low to enter and we didn't lose money after expenses.

It was a perfect Autumn day at our grounds thus a win win overall.

Nepean EC always runs a competition each year if not two and thoughts of running a Navigational ride came up in conversation. We thought a great opportunity to run that over a weekend with another club so discussions will happen for next year with Western Port EA.

For this year we have put in place to run a winter woollies show at our grounds in Main Ridge Sun 11 August.
